

Award Winning Loudspeakers since 1978

# Obbligato Series

## High-Performance Tower Speakers

World class design, components and performance for the ultimate audio enthusiast.

### Product Details

### Extraordinary Cabinet Design

The Obbligato Speaker cabinets are hand-made from tri-composite Medium Density Fiberboard and finished with real Cherry veneer. The cabinets are constructed using a special cross-bracing design for optimum rigidity.

The 7 Degree Angle cabinet design eliminates standing internal waves and supports the time-alignment theory for an accurate delivery of mid & high range frequencies.

The cherry veneer is carefully stained and hand-rubbed, creating a finish that matches only the world's finest furniture.

The Obbligato Cabinets feature Angstrom's unmistakable signature: A Beech wood, Padouk and Ebony inlay, placed beautifully down the center of each cabinet. .

### Unique Baffle Construction

Obbligato Speakers are produced with Angstrom's exclusive multi-layer baffle design, which is proven to eliminate resonance and baffle run-on.

### Silk Dome Scanspeak Tweeters

Obbligato speakers deliver warm, smooth high frequencies using high-performance Tweeters from world-renowned Scanspeak.

### Audiophile Quality Drivers from Vifa

The mid-range drivers are from Vifa of Denmark, the world's leading designer of high-end speakers. These are a glass fiber Pentacone design that deliver extraordinary mid-range frequencies down to 39Hz.

---

### Rigid and Handsome Base

Obligato floor speakers feature handsome, rigid wood bases to create a secure platform. Optional, adjustable brass spikes are included.

---

### Acoustically transparent Grilles

Angstrom's attractive speaker grilles are optional, but included with every speaker.

---

### Versatile Connection Panel

Connections are made through top-quality gold-plated terminals. Bi-wiring is encouraged using the full compliment of connections.

---

### Performance Specifications

- Nominal impedance: 4 ohms
- Sensitivity: 89dB, 1m 2.83v Pink Noise, C weighting
- Sensitivity: 87dB, 30 degrees off-axis, 1m 2.83v Pink Noise, C weighting
- Frequency Response: 39Hz - 30KHz
- Overall dimensions: 41.5" H x 7" W x 20" D
- Weight (each): 51 lbs.

The Obligato Series includes a full compliment of Bookshelf Speakers, Center Channel Speakers and Powered and Passive Subwoofers for the Stereo and Home Theater enthusiast. We also offer an onboard Electronic Crossover for even greater control. Visit our website for complete details.
